ON MISSION FOR THE CHURCH ALIVE

Come to the Feast! – In today’s Gospel, the invitation of the king to “come to the feast” is extended far and wide so that the banquet hall would be

full for the wedding feast of his son. Likewise, God’s invitation to partake in the feast of faith is shared far and wide as he calls us to follow him to the kingdom. In both instances, however, something is required of those who are invited. While there is an expectation that the Lord will feed and nourish us, there is also an expectation that we will be properly attired. For us, that means that we are put to on Christ and share his love with others as we take the responsibility of faith seriously. On Mission for The Church Alive! is an opportunity for us to build up the Church of Pittsburgh as a tangible witness of Jesus present in the world. Not only are we charged as individuals to answer the call to love God above all and our neighbor as ourselves, but to gather as one in worship and in work and give greater effectiveness to the Body of Christ, the Church. As On Mission unfolds more will be asked of us as we come to the feast at a new place or time or with new people, yet we can trust that God will provide more for us to strengthen us and through us to strengthen others. Visit onmission-churchalive.org to learn more and to stay informed.

ANOINTING OF THE SICK

One of the seven sacraments of the Church is Anointing of the Sick. This sacrament, along with Confession, is a sacrament of healing. The sacrament, formerly known as Extreme Unction, was reserved for the Catholic taking their last breath. With the reforms of the Second Vatican Council, this sacrament of the dying was changed to a sacrament for the living. Through the laying on of hands and anointing with consecrated oil, the church prays that Christ the healer will come to the aid of those afflicted with illness, the elderly and those who are preparing for surgery. Therefore, the Church encourages her people not to wait until their last breath to be anointed but rather to seek the Sacrament of Anointing when health is declining or sickness is present. The Sacrament of Anointing of the Sick can be received many times. The clergy of Holy Trinity Parish encourages the elderly, those who are ill to receive this sacrament of healing. To that end, on the weekend of **October 28th¹ and 29th**, the Sacrament of Anointing of the Sick will be celebrated at ALL Masses. Those who wish to receive this Sacrament are encouraged to register before Mass at the tables in the Narthex of the church and proceed to the front pews. If you are unable to walk to the front pews please take a seat at the end of a pew in the center aisle. If you are unable to attend Mass please call the parish office so that arrangements can be made to schedule the sacrament of Anointing of the Sick at your home.

HTS Clubs—Robotics

In preparation for their Oct. 14 BEST Robotics competition, the middle school Robotics team talked with members of the Pittsburgh Police Bomb Squad. Officers James Darcy and Shawn Landy brought a robot to the school so that the Robotics team could see what a true rescue robot looks like. The students have been challenged to build a robot for their competition that can rescue a small dummy from a "burning" building, remove cans of material, and "put out a fire" by having their robot shoot ping pong balls to knock over plastic cups.
